We reached the highest peak...

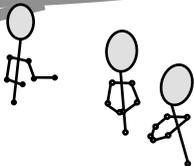

Deep within these caves...

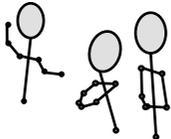

I was crossing the bridge...

It was where the river divides...

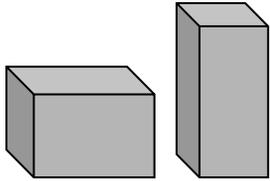

It landed in the middle of the lake...

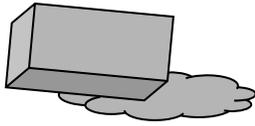

One day on the beach...

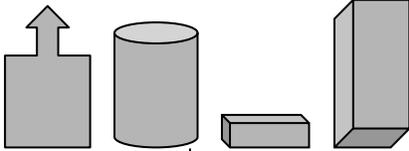

Is it **consistent** with known standards?  
Does it work?

Is it **complete**?  
Will it hold water?  
Is it missing anything?

Is it **true**?  
Does it match other stories I have heard?  
Does it strike a chord?
